Catering

At Lake Okoboji Catering & Events, all weddings and events are required to use our in-house catering provided by our on-site restaurant. This allows us to deliver a consistent, high-quality dining experience tailored to your vision. Our culinary team offers a variety of customizable menu options from elegant plated meals to casual buffets—ensuring your food is fresh, flavorful, and beautifully presented.

While full meals must be provided through our catering team, you are welcome to bring in smaller snack items like Chex Mix or nuts for your guests to enjoy. You may also bring in your own desserts, such as wedding cakes, cupcakes, or a sweets table, allowing you to personalize your day even more. An email attachment with the catering options will be provided, and a 20% service charge applies to all catered items.

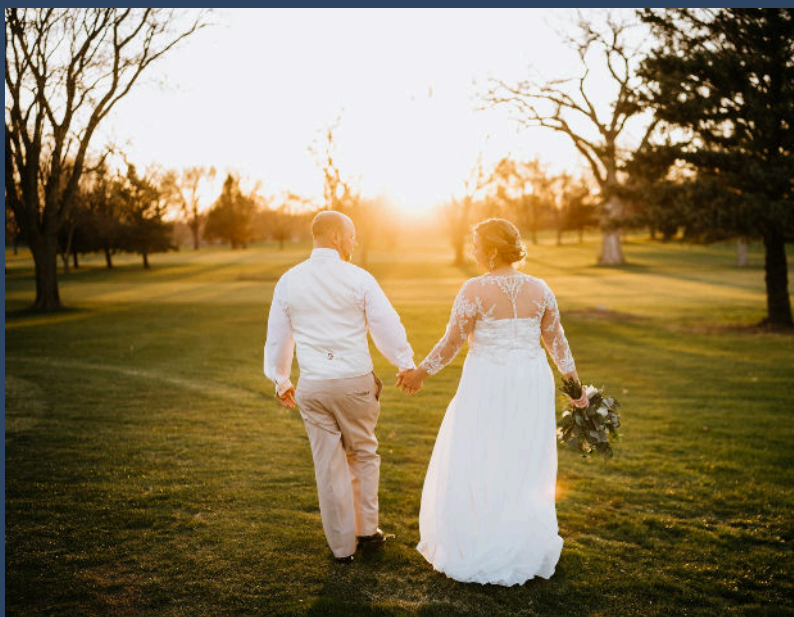

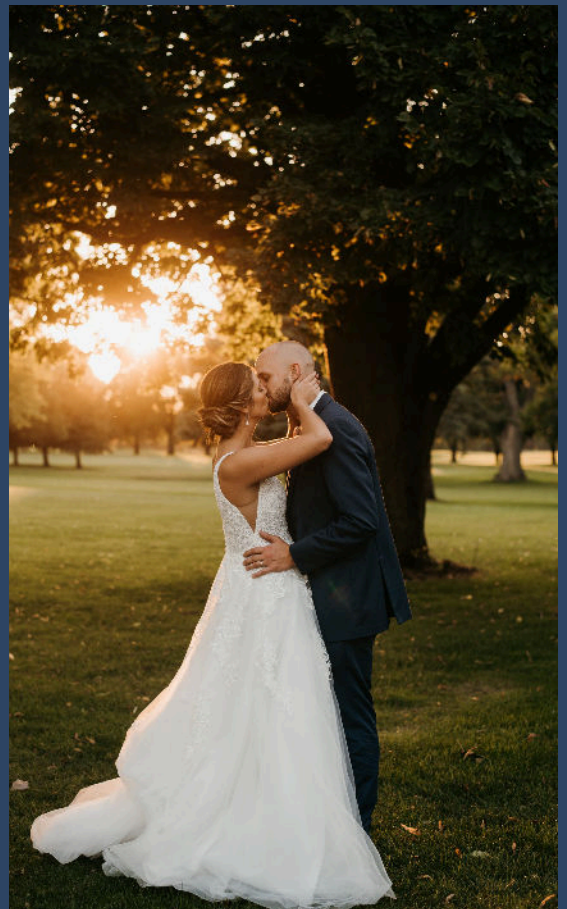

In order to reserve your event on our calendar, we require a signed contract and paid deposit. The deposit amount includes half the room rental fee plus tax. This ensures your space is reserved, leaving only catering and any A/V equipment fees to be settled closer to the event date.
